

June Wednesday 9 1926

Jash brought Jean down to Paris and we went to see "Prince of Wales tour of Africa and South America" at Capitol Theatre. The picture was very good but the best part was the drive home with Jean afterwards.

Thursday 10

Saw Mr. Bates "R. O. P." Government man who told me he was coming the next day to test our Bendmere cows.

Friday 11

Alex, Jim, Bill, Bates, and I went to Pinkhurst at night to the dance. Had a couple of dances and was home at 11:30. Mr. Bates found out he couldn't beat the "Lush".

June Saturday 12 1926

Jimmie and I bought a mouth organ when I drove to down and took her and "Bill Bates" with me. Had a fine time with Jean in the Dodge. A "musical ride" coming home due to Jimmie's new "fiddle".

Sunday 13

Uncle Art, Aunt Edith, Grandpa, Aunt Maude, Uncle Ed, and boys and all the folks came down for picnic dinner at Campground with me. Had a fine time eating and a great time when we had our first swim and boat ride in 1926. Jean couldn't come down with rest of gang but we had a lovely drive together at night.

Monday 14

No wonder I felt fine all day after such a wonderful drive with such a wonderful girl the night before.
