10 Sunday. Lovely cool day. Walter, Ella & Glen took Ezra & Bert along and went to Kitchener today and attended Camp Meeting. Grandpa & Grandma Maurer came home with us.

11 Monday. Fair and very cool. Mrs. Bauman was here for breakfast and dinner. Walter & Vernon helped to thresh at Schneider's all day. Willard & Ella did the washing and Ella was canning blueberries this afternoon.

12 Tuesday. Fair and cool. Walter & Vernon helped to thresh wheat at Enoch Schneider's until noon. This p. m. they were making fence. Tonight Rev. & Mrs. E. Huehnergard called in here on their way home from their summer cottage on Manitowish Island. They brought us a lovely trout 22 inches long.
