Tuesday, February 25

56 DAYS PAST

310 TO COME

Dr. J. E. Wagner, Paris, Ohio, says:

"The bottle of Pepto-Mangan sent me was used as a re-constructive in a severe case of debility, and will say that I cannot too well praise the remedy, for the results were certainly remarkable. This was not the first time I had used the preparation with splendid results."

Rained Sunday night  
Very dry had a little  
snow flurry, rather an  
ice day but dull & cloudy  
Girls went to Sunday  
school & to night - they  
& Alice Lewis have  
gone to church. Wilfred  
Bingham was taken sick  
Tuesday & is very ill yet.  
John & I have been home  
all day
