

large buildings and the grounds stretch about a mile on one side of the ~~grounds~~ road then on to the old Spanish light house at the end of Point Loma. did not stay very long as we were up high and it was blowing a cold breeze off the water, we then cut off and went across to sunset cliffs it was blowing there too so we went on to Ocean Beach for the rest of the day

July 8th. Did not go any place have a cold -

July 9th. in bed with a cold, heard a noise up pounding. mother inquired from the men we told Mrs Jones is building another house and garage in the back yard.

July 10th ditto spent it in bed, rained in the night.

July 11th. ditto again am tired of bed alans birthday too
