THURS. DEC. 15, 1898

Wea.

I rose and made a fire after breakfast, the boys went to school. I attended to the house work in the forenoon and after dinner I cut out a shirt for Larcie and got it partly made. James was up after tea Aggie and the boys and James went over to Georges

Ther.

FRIDAY 16

Wea.

I made the fire again and the boys went over to the school to prepare for a concert tonight. W. Cole came for Aggie, he thought the concert was last night, so we were so sorry she had to go home, it is a nice evening which makes it pleasant.
