SUN. JULY 10, 1898

Wea.

It is still cool this morning, George and I went alone as S. A. has a sore throat, Mr Nixon is away taking his vacation so we had a strange minister today Mr Stewart; he preached from the 14 of Galatians and the 4 and 5 verses  
James came up

MONDAY II

Wea.

I rose about 4:30 this morning and prepared my breakfast, I then started about 5:30 for the berry patch, I was back about 9:30 I got 7 lbs they were very good, but it was very wet as there had been a frost, we picked the same ones too
