

1892
March

14 I went to Brackville as to go and I was

15 Walter McKel took 18 bags of feed The steam mill yesterday he has a right here this morning fine day I am unable to get about much Bessie went to Brackville on her way to the Springs for her mother in the States and will cross the River at Puerat they are now Rock Island in the United States

16 I got home on the Express Bessie crossed at Brackville to the States instead going to Puerat they cross there now

17 I went to Sandbar this morning to get out his sawlogs fine day the Roads is so drifted they drive through our fields below where the old house was

18 Wm Clark from Smith Falls came here this morning he is an Agent Tract & woods Bonnie is taking care of the cattle Clark is Elmer's cousin

19 Wm Clark went to Hallowetown this morning I brought a large hollow log for to cut up for flourpots fine day

20 Rev. W. Fairley preached this morning

21 I am getting the horses shed fine day

~~22 I went to the woods to get timber~~

23 I & Bonnie shoveled away the snow & took the big gale at the Milk shed to let the Road come at them instead of coming out for pen

24 I went to Sand Bar to get out sawlogs

25 Bonney is taking care of the stock

26 Do Do Do fine weather

27 Do Do Do weather

28 Bonney put all the Bars in the goat house so as to the Teams from going through our fields and the Teams have to take the road

29 Rev. W. Fairley preached this morning I was not able to go the Road is so muddy & slippery
