

June

1 Wednesday I went over in the afternoon to see if Gretia could go to town and she went I wanted to get my dress cut we got home about seven I took her home and the men had just got done their supper I came home and done my chores then in a little while about an hour and a half John came over and stayed till a little after 10

2 Thursday Mrs Sweet went to town and Gretia hitched up the horse and drove after me I went and stayed the afternoon with her when they came back we went down to look at that scair grow in the corn field I went home with her and we put the horse out then I came right home and after I got my supper and got my work done I went a horse back as far as the corner and a coming home I saw John a taking Mark home he could not have got back till late
