

May ^{the} 14 1904

14 We did chores I went out and got a load of lumber and took a load of hay to Mister Hebble and put a load in the loft to feed Bidy went to town to day

16 We spread manure to day it was a fine day I acen was here this afternoon and helped me and Charle drawed manure on his ground for tobacco

17 I plowed for corn to day for the first it is stiff yet I acen worked at the garden fence to day it is raining to night

18 I plowed for corn it was a damp day it tried to rain all day I acen worked at the fence to day Charley and his Brother drawed manure on his patch to day

19 I worked in the shop it rained all morning I plowed some of the garden and some in the field this afternoon

May ^{the} 20 1904

20 I plowed it rained of and on all day Charley plowed and filled pits this afternoon

21 I ~~plowed~~ plowed and Charley split wood it was a fine day Bidy went to town to day

23 I plowed for corn it was a hot day Charle struck out lands this morning I acen worked down at the other house Elihu came and got his horse to day

24 I finished plowing in the hazy field to day and rooled a little I acen made a corn marker for Ruben corner to day and helped Rub plant corn Charle plowed for himself and disked a little for me Dad was down to night and got some corn and potatoes
