

1st of January 1882

New Years Day & Monday West Wind cold
 Randolph and Leander went to Bay to catch
 perch in the Back Bay but they seen a good
 many under the ice got none 2nd Cutting
 & rewood and clearing Brush next the
 marsh Back of the Barn Cold North west wind
 3rd ^{Allen's Bay} North East Wind Cold & frosty snowing
 Livina not well put the Bottom of the Marsh
 hay stack in the Barn the West one
 of the 3 stacks raised the stick at
 the River as the water is raising hard
 & frost to night but the wind is too high
 for the ice to take stops up till
 a clock as Livina is not well put
 the 3 oars on top of the fence as they were
 laying on the ground 4th Cold North
 West wind high & freezing hard Randolph
 I set a trap for him in the cord Wood Bay
 fixing the Hand sleigh wind too high for
 the ice to take a good deal of anchor ice going
 down & frosty to night But warm house
 and good fires 5th ice took this morning
 East Wind Cold some a great many arched
 before it fell as the wind was too high
 to take Drawing it was then it commenced
 of the Island just like glass took across in
 some places 6th snowing & Wind Drawing
 wood fixing shafts on the Jumper 7th not
 Cold West Wind Drawing Wood Part
 on the Marsh Hay stack East one got a Rat

At Mill Pond on the 1st of Aug. 1866
Through Annapolis to the Bay
got a Rat. Killed ¹⁸⁶⁶ ₁₂ to rain raining
Ice commenced to open to night 7th got
a Rat & skinned 2 Rats kind of soft. Drew the sled
across the Wark at the river ice opening and a
going down Windy to night W Wind 10th cutting
Brush in the cord Wood Bay Drew the 2
Canoes down to Bismarcks Bay as its open
close to shore Fine West Wind Ice going down
11th Stormy snowing East Wind drifting Wind changed
to North West hard for to water the cattle 12th
Kind of Fine N W Wind cutting Firewood seen
the Munks Prack Fresh cutting hay in the
stack put some in the Barn ice going
down 13th Stormy E Wind Livina very unwell Cold
set a trap for the Munk turned the canoes
14th Fine Turned Windy North W Wind turned Frosty
Ice making in some places the Wind too high
to make to night Drew some hay out of the
stack into the Barn went to head of the Island
Livina not well ice going down some
15th South West Wind drifting ice not making 16th
Kind of Fine & raining Wood 17th some cold Windy
ice took across to night 18th began to move about
10 o'clock Windy breaking the ice some
north and south Wind Fine Frosty went
to head of the Island cutting and drawing wood
Frosty last night 19th cutting Wood Fine cutting rails
20th cold some cropped on the ice to Hamiltong got
ashore at the lower end of Hamiltong John
came to meet us as its open only took this
morning Randolph went to Summer town Bought
of Mr Ward 3 lb Tea 27 cents Box of Blackening 6
Spool of Thread 5 got an Almanac and 17 from Hamiltong
and a lot of newspapers got a letter from Dan
with 2 dollars in it took some of my flour
from Hamiltong Heard the Rev
Mr M^r Pherson's Wife departed
of Lancaster
