183 DAYS PAST

182 TO COME

For Unusually Pronounced Anemia.

R Liq. Potas. Arsenitis. (Cc. 4.0-8.0)

3i-5ij

Pepto-Mangan (Gude). (Cc. 330—original bottle) ʒxi

M. Sig.—Tablespoonful after each meal. Children in proportion.

Weather

Temp.

A fine day I took Mrs
Marchant home & then from
there up town. Then I left her
& came home. I had two
ships of beer & they both went
together. Mr. Lee came along
& he came in. Then in
the afternoon while I was
away the girls give dan othe
square. As that made three
Billy & Polly 1/2 20
