FEBRUARY MONDAY 20 (51-314) 1922

fine day but quite cold. I cleaned up the Keystone Engine and painted it today over to Office tonight I sold Wm C. Anglin a Grain Box and a grass seed box for a 6' cultivator as per price list. over to Office tonight

TUESDAY 21 (52-313)

Lovely day I went up to Ernie Kemps and helped finish sawing his wood in the forenoon. I chopped the ice from around the pump and shoved around in the afternoon over to Office in the evening

FEBRUARY WEDNESDAY 22 (53-312) 1922

snowed and blowed all day George Martin started drawing the Kingston Mail this morning. I took out the Glass from the front of the bucket in Post Office and cleaned up some over to Office tonight very wild night

THURSDAY 23 (54-311)

rained hard today I went down and fixed Mrs John McKinleys sewing machine for her in the forenoon over to Lord Bros shop most of the afternoon. over to Office tonight
