

August, 1931

1 Saturday. Cloudy & cool
Noah Miller was threshing wheat
today and the three men helped
all day.

2 Sunday. Thunderstorms
and showers but the storms weren't
very severe. We all went to church
and Sundayschool this afternoon
where Rev. E. N. Mohr of Morse, Iak.
preached. Mr. and Mrs. N. B.
Hoffer visited us and were here
for tea.

3 Monday. Fair and windy
Vernon and Willard finished the
sweet clover sod and started plowing
sod in the field beside the lane.
They plowed all day. Walter & Ella
picked berries in Reist's bush this p.m.

4 Tuesday. Warm. Sudden
shower of rain at 2 p.m. Walter took a
load of chopping to Floradale this a.m.
and Willard plowed. This p.m. they were
all at Noah's helping to thresh wheat.
