85 DAYS PAST

280 TO COME

For More Than Twenty Years.

the one standard, thoroughly reliable and dependable preparation of organic iron and manganese, has been **Pepto-Mangan (Gude)**. It has been and is extensively prescribed, by all classes of physicians, to combat and overcome anemia and chlorosis, in all kinds of conditions, such as amenorrhea, Bright's disease, rickets, tuberculosis, etc., and in convalescence from exhausting or debilitating disease.

Weather

Fine & warm

Temp.

The girls drove John & Eugene have gone to Mrs Weslake safe this morning Mr Weslake got killed by a load of lumber falling on him. The little crooked necked lamb died. Eugene bought a side-board at the sale Walnut six fifty. Mr & Mrs Jeline was out for tea. Carl was over & spent the evening helping Maudy with the laundry of the lake. I did about two days work to day
