OCTOBER MONDAY 22 (295-70) 1923

Fine day but quite cool I went up to Kingston in the morning and stayed all day with Mamie and Elsie Elsie was very bad all day today I came home in the evening

TUESDAY 23 (296-69)

Fine but cool around home in the forenoon I went up to Kingston with Dr. Young at noon and stayed with Elsie and Mamie all the afternoon and came back with Dr Young in the evening he had Albert Brown and wife up to see about Mrs Browns finger Elsie some better today

OCTOBER WEDNESDAY 24 (297-68) 1923

rained hard all day I worked most of the forenoon on Dr. Youngs engine I went back after dinner and started it around home rest of afternoon and did some writing in the evening Elsie much better tonight

THURSDAY 25 (298-67)

dark and rainy around home all day. I cleaned out the henhouse in the forenoon I took the car up to the garage and got a new timer on it after dinner over to Jim Simpsons store for a while in the afternoon did some writing in the evening
