

Feb 1887

20

Rev. Mr. Millard preached this morning. Thursday

21

I went to Sand Bay brought home a load of wood
fine day. Phil and I went canoe house. The coffee man
Seymour has been here for some time. She is better now.

22

Snow this morning. We skinned for the station for
water for Taylor. I was the first to vote. I have
been the first to vote at our polling station for
this last 20 years and not lost a vote since I came here.

23

I went to Sand Bay and brought home a load
of wood and fine warm day.

24

Snowed about 2 inches last night. Snow after-
day light and all the forenoon. I went for a load of wood
in the afternoon he took it home.

25

I went to Sand Bay and brought home a load of wood.

26

I went to Sand Bay this morning for a load of wood
and took it home. It commenced to storm about
ten o'clock and stormed most of the day.

27

Rev. Mr. Millard preached here this evening. It is
a very stormy day with wind, snow and drift.

28

I went to A.B.s for the horse pairs and saw
they were not done with it till the last of the week.
