119 DAYS PAST

246 TO COME

Post-Puerperal and Post-Septic Anemia requires timely hemogenic treatment.

Pepto-Mangan ("Gude")

is especially efficient in blood-building therapy and is always well taken and readily tolerated.

Weather

Rained or misted all day

Temp.

Pa went to Oylmer & got me some loaves. Fred gave them to him. The girls had to drive to school, roads very muddy. John & Eugen ploughed the ground back by George Davis. Joe to build the line fence. I have the kitchen pantry & bedroom all done. The Ponce car had a little call this morning. Lydia & Polly & Mrs. Polly &
