MON. SEPT. 26, 1898

Wea.

I rose early as the boys had some of their lessons to get, but Lencie has to stay home to work at the potatoes. Mother and I were putting some apples to dry in the forenoon, and we were quilting in the afternoon. We do not get much time at it, as there is so much other work to do, we had a

TUESDAY 27

Wea.

I rose this morning and made the fire and prepared the morning meal. I put in some pumpkins to stew and did some scrubbing. Phemia called for me to go and stay with her mother in afternoon and I did so as she had to go for medicine. William and Gus Moller and Roberto Thomas came down today.
