

February 17<sup>th</sup>

73

Sunday This was a Dull Morning, came  
on Snow it Snow all forenoon the  
Afternoon turn Warm it was Thawing  
the was all at home to stay

February 18<sup>th</sup>

Monday This was a very Cold Morning  
and Very Hard frost I Went to Guelph  
With a load of Wood Per Sloane's gear  
Many parts of the Road Bare the  
Afternoon I Went for the Sow

February 19<sup>th</sup>

Tuesday This was a Cold Morning, and  
Very Hard frost I Went to Guelph  
With a load of Wood Hard Pulling  
the Afternoon I Was Working stone  
the Building very cold

February 20

Wednesday This was a fine Morning  
it fell about 4 inches of Snow last night  
I Was Thrashing Sam Peas the Afternoon  
I Went to Guelph With a load of wood  
it turn out Warm the Snow was  
about all gone when I get to Guelph  
the Horse had been hard pulling I stuck  
on the Rail way Sam then helped me  
of it was a Mud hole coming here  
the Snow went away very fast over time  
Mary Cole Calve this afternoon went today

February 21<sup>st</sup>

Thursday This was a Dull Morning,  
turn out a soft day it rain all  
day and Blow and frezzin' a little  
I Was Thrashing Sam Peas the Afternoon  
I Was Macking a acre Haulle it  
was a soft Night and High Wind
