

FEBRUARY MONDAY 15

1897

Snowy.
Killed one pig.
We went to the tea-
meeting at night.
A splendid success.

TUESDAY 16

Mild. Sleighing poor.
We went out and
I got a load of wood.

WEDNESDAY 17

Mild. Sleighing gone.
We went up town in
afternoon.

FEBRUARY THURSDAY 18

1897

Cold.
I got a load of
wood from Leavitt's
1 cord @ 65^{cts} Clava's
mother here.

FRIDAY 19

Cold and clear.
I helped H. J. French
hacks timber for
his barn.

SATURDAY 20

Cold raw wind
starting to rain in
the afternoon. I got
my lumber home
from the mill.
Attended lecture at
Farmers Institute
Meeting in Resden
