1916.

- Nov 17th. Quite a heavy snow storm last night. took the sleighs to Paris but being a warm day the snow was pretty much off the roads before night.
- 20th Finished fixing new hen house in the pig pen and put 20 pullets in it, and got a new rooster from Mrs Johnson. Short young roosters up to fatten.
- 22nd Mrs Mrs Whit Lowe came over for the evening.
- 25th Brought 3 cattle home from Camps-bush, and Edith and I drove to Brantford to Executive Meeting, also to Mrs B's
- Dec 2nd Finished plowing corn & turning ground.
- 3rd Wil & Lillotte Miller came over for a visit.
- 5th Went to Mc Kenzie to get 2 calves \$500 each. But Mrs Williamson drove to Brantford to see new place.
6. Sold 8 fat hogs avg 232 @ \$10.75 per cent.
7. Went to Paris to have our picture taken and went to George Lee for dinner.
9. Finished fall plowing, getting 3 bags of potato off potato ground. Bombed up the rose bushes for the winter.
12. Brought the cattle home from the hill, having been more snow last night. Edith brought Carl Dyson home from Paris with her.
- Went to Farmers Club meeting at Kitchens School, we had a good program including a debate entitled, "Resolved that the average Farmer has more general ability than the average business man of the city." the affirmative won.
