

Sunday May 14, 1922.
 Mabel and Maude and Roy and John and I went to Church today. As it was Mothers day they had a special service and there was a good turn out.

Charlie took up all to Church in two trips with his auto and came back home. He came back on the Electric car.

Charlie and Kent and Lolo stayed at home.

The day was very fine.

Monday May 15 1922.

In the forenoon after doing chores I hitched up Gip and George and disced and rolled the potato patch along the Box line and in the afternoon Mabel and I planted the potatoes.

The day was fine

Tuesday May 16, 1922.

I took through horse shoe creek in John's place to mark out the line of the ditch that is partly made; it is still in good form and the new part is easily marked out by the depth of the water. In the afternoon I helped Mabel &
