

June 29th - Very heavy dew
every morning. Did
not start picking until
about 8 o'clock. Daylight
time no good for ^{the} fruit -
grows. Picked 181
crates -

June 30th Very hot.
picked 89 crates S.B.
July 1st. Picked 40 x 32
crates S.B. berries
+ 15 x 6 Sweet Cherries
38 + 11 Richmonds at 50 to 60
weather terrible hot.
over 102 in the shade
and thermometer hung
on the barn went to
130 in the sun.

July 2nd still as warm
this am. nobody could
sleep last night.
92 at 9:30 this am.
picked 30 Richmond ch -
+ 18 x 6's sweets - also
picked first peppers
21 x 6's sold in Toronto
at .50¢

103 after dinner
One of the worst storms
for years started
about 4 o'clock. with
wind + dust. blown +
rained in torrents for
about an hour.

July 3rd Picked 37 crates S.B.
nearly done. warm again
picked 19 x 6 Sweet Cherries
+ 7 lbs to Bears for the
first.
