March MONDAY, 25 (85—281) 1912

It was quite cool I helped wash in the forenoon Archie & I went out on the valley to look for heifers
26. 1917 It was quite soft & drew manure all day Fred worked up at the factory building

TUESDAY, 26 (86—280)

It was a very nice forenoon we moved the press to Sunny Armstrong & pressed it snowed in the afternoon quite hard
27 1917 It was a very high wind all day I took a walk back over the railroad in the forenoon it rained some in the afternoon I trimmed some apple trees Fred started to work in the factory at night

WEDNESDAY, 27 (87—279)

It was nice we pressed at Sunny Armstrong I moved the press up to Jim Slaters barn

28. 1917 It was cool & windy I done the chores & went to Cardinal & got some money out of the bank
