

Done chores and cultivating sod next Jack's line fence in forenoon.

Sowed and harrowed it in afternoon.

Della here for duck eggs.

A little shower early in morning. Cleared and quite sultry. Looking like rain.

FRIDAY, 16

(136-229)

Done chores. Then Da cultivating sod for corn in forenoon. Broct went to cultivate back by Rob's line fence but had to stop about eleven as it came on a shower.

Da cultivated little patch on other place and garden patches in afternoon. Broct cultivating on 4 ac. on other place.

Dull all day and a heavy mist or rain at times. Rained steady for a couple of hours in evening.

SATURDAY, 17

(137-228)

Done chores. Ben drew out flax straw and hinged it in forenoon.

Broct chopping in afternoon and Da moving potatoes in root house.

Broct & I to town at night.

Raining at times all day.

SUNDAY, 18

(138-227)

Broct to church at night.

Mr. Davis and family called in afternoon.

Fine breezy day.
