MON. SEPT. 12, 1898

Wea.

The boys rose early and went to dig potatoes, as they are ready to dig. I prepared the breakfast, the boys went to school, I trimmed part of the raspberries in the forenoon, after dinner I got some clay and fixed the hanging basket. in the evening the boys and I dug some potatoes and pulled some beets.

Ther.

TUESDAY 13

Wea.

The boys got up again and went to the potatoes while I prepared breakfast I trimmed some more of the raspberries in forenoon after dinner Mother and I gathered in the rest of the onions, I have got a very sore eye, I got something in it working at the raspberries
