July SATURDAY 19 1919

Fine and warm today I went over to farm and helped Miner Simpson to draw in Hay untill 4.6. Clock came home and took Mrs. Metcalf and Will and Dr. Hewett and son to Lyndhurst station. I came back by Morton and stopped at Clellans for a while around Office in the evening

July SUNDAY 20 1919

very warm day around home all day. Maggie and Eric went to Church tonight. I played with Dorthy, we went to bed early.
