

June, 1930

29 Sunday. Lovely day. We all went to Sunday school this morning. Walter & Ella went with Sim. Weaver's and had their dinner at Ed. Weaver's and supper at Lincoln Weaver's. Willard came home with them and is staying for the summer holidays.

30 Monday. Threatening. Thunder storm and rain this afternoon. This morning, Vernon scuffled the mangels and potatoes and Walter & Willard were hoeing. This p.m. the boys got another hydro pole at Eph. Snyder's and Walter took chopping to Floradale. Ella did the washing. Esther Miller and Helen Adams called on her this afternoon. The men put up the poles tonight with the following help - Otto & Norman Miller, Ernie Iron Schneider, Elmo King and Harry Reist. Other callers - Mrs. & Mrs. W. Roenbush and family, W. B. King & Homer Henderson.
