

and took dirt of 220  
Sashes in hobbed yard,

June 11<sup>th</sup>. started spraying  
pear trees. got 2 tanks  
on and machine out of order  
for the rest of the day  
weather cool & cloudy.

June 12<sup>th</sup>. Spraying got 6  
tanks on. spraying pear  
with  $\frac{4}{5}$  qt nicotine  $15\frac{1}{2}$  lbs  
lead 3 gals Lime Sulphur.

June 13<sup>th</sup>. Raining this morning  
nothing doing, fine in the  
afternoon spraying new  
bearing new Strawberries

June 14<sup>th</sup> spraying apple  
 $5\frac{1}{3}$  lbs Lead.  $3\frac{1}{2}$  gals. Lime  
Sulphur. seems to be  
loads of apple, plums  
and cherries, but very few pears.

June 15<sup>th</sup> Sunday. Fine but not  
very warm. Had Grandpa  
& Grandma. B. out for the day  
also Arnie + Mrs Bush  
called, also Addie Vetter  
& wife + babe, and Mrs  
Vetter. called from Kitchener

June 16<sup>th</sup>. Spray machine on  
the punt again today,  
had Elmer Hall to fix  
it had to put new gear  
wheel on, some of the parts  
wore out, only got 4 tanks on

June 17<sup>th</sup>. Got seven tanks  
on today, one more tank  
to finish. taking about  
20 tanks to do this  
time.

June 18<sup>th</sup>. Finished cleaning  
up hot bed ground
