163 DAYS PAST

203 TO COM

SURGICAL HINTS.

In every case of sciatica it is advisable to make a thorough examination of the entire limb for the possible presence of some condition causing pressure upon the nerve, such as a bursitis in the gluteal region.—*International Journal of Surgery, June, 1907.*

Pepto-Mangan (Gude) is ready for quick absorption and and rapid infusion into the blood.

A fine day & hot. The
girls grained the pantry
I washed. Maudie went
to Aylmer to take Lettice &
a chicken. Derias came
over & helped John on their
corn ground

Maudie 5-
