

years old. Edison's
Birthday today he was
80. Abel Lincoln's
tomorrow. some popular
birthdays

July 12th. Got up today
left feeling punk.
we received six letters
today. will have to
get busy and answer
some. They have had
some high winds at
home. Smith had to
put props up against
his house, mother
and the girls went shopping
and got caught in
the rain.

July 13th Sunday rained all
day and all last night
the biggest rain we
have had since we
came. wrote four letters
yesterday + today.

July 14th. Rained all day
and all last night, and
is still raining,
a 7 year old boy fell
off a bridge and was
drowned.

July 15th. Every thing in this
country is on a big scale
even when it rains.
this is the third day
and night of steady
