

June 26.

Tuesday 26.

Cold and dull. Rained a little tonight. I went out to Aletai's and we made twenty four pies and seven cakes. Herbert and Beatrice rode to school with me.

Wednesday 27.

Wonderful day! We washed and ironed some. Cleaned upstairs and beat the dining room carpet. Went to town after dinner, then out to Aletai's. Had forty men for supper. Mrs. McCallum and some friends were here this afternoon.

Thursday 28

Grand day. We finished the ironing. Boyd brought his cultivator up this morning and dad and I did the potatoes tonight. Mother and I went to town and St. Thomas after dinner. Got Mother new pair of shoes & me a dress.
