

Working kape ground in morning and sawing it. Brock to town for more seed. Da sawing little patch at road to kape in afternoon. Brock cut a piece of hay in field below little orchard in afternoon.

Went to town at night.

Brock 27 yrs old. Da gave him a gold watch.

Warm and looking like rain.

Got quite dull about six o'clock.

SUNDAY, 18

(200-166)

Brock to town at night.

Very heavy rain in forenoon and again in the night. Cloudy all day and sultry.

MONDAY, 19

(201-165)

Very dull in morning but turned out fine. Robt & Brock putting regulator on the hand wind mill, forenoon. Olive & I washed big washing in the afternoon. Brock put the track & fork in the barn in working order. I went to the bush to pick berries Brock went with me to show me where to pick and Robt came back later. Robt cutting weeds in the yard for a while. Olive sweeping and dusting up stairs and down. Olive went down to Gordon for Betty in the evening.
