

May 25th. Very cold yet
some frost this morning
but not enough to do
any damage. Hoeing
new Strawberry look
very bad. want rain.

May 26th. Hoeing new
Strawberries & marking
ground for tomatoes

May 27th. Started putting
out tomatoes, this
afternoon. had to draw
water all day from
the creek.

May 28th. Planting
out tomatoes & drawing
water from the creek

May 29th Fine & warm
planting tomatoes and
drawing water

Asparagus now \$3.50
a bush on account of

the frosts & cold
weather.

May 30th. Planting tomatoes
yet. have 15500 out
now. and 2000 more to
put out. weather
very warm today &
very dry.

May 31st Sunday. fine
& very warm this
morning.

June 1st. Very warm.
Hamilton reports 95 in
the shade at noon.
had a heavy thunder
shower in the after
noon will do a lot
of good. Planted
out Sweet peppers.

June 2nd Still warm
started spraying
