

Sunday Much warmer 15-day. Went to church  
June 6<sup>th</sup> in the morning and to S. S. Mother -  
Came up after church and stayed  
until after S. S. As Charlie broke the  
back axle of his car yesterday he  
could not come for her so I walked  
up to the Baptist Church with her.  
Getting very warm. Mrs. Ryan went  
to Paisley in car (Barnes Beavie,  
Ruby Robinson & Tom) so had to get  
my own tea. Went to Charles to send  
Dorothy's poems and to Mrs. Caldwell.  
Walked to Hospital, went down to  
post office with them. Watered the  
lawn which was very brown and  
did not go to church. Charlie, Alice &  
and Duncan were up after church  
and Mr. Caldwell came up to get  
a book. Charles telephoned from  
Hamilton that his foot was worse  
than he expected and he could not  
get around and so would be home  
to-morrow night.

Sunday Went down at 7 o'clock and buried  
June 7<sup>th</sup> in the spray. Went down home for meat.
