Sunny and cloudy looked like rain 10 AM a few drops fell, very warm

I cultivated some more corn 2 AM we

X took in load hay from coals No 1 before dinner

Willie finished cutting the block hay No 1, I was cutting last night. P M Willie went down

town and in buggy took her to Granby

Model he got fruit and sugar at 7 0 8

3 70

3.70. I raked up the cut hay in No 1

3 70

We took in rest of coals one load also

a load of the raked stuff. after tea we raked

what was left also raked raking. Andrew

Schweis over in evening got 1 doz eggs also

a hen 5 lbs @ 10cts each W. Hartman and M

offered \$2. for red heifer up at Allens 50.

Willie got more medicine from Vet for filly.

Saturday

Cloudy and sunny looked like rain

at times did rain a few drops in evening

We cut some more hay in No 1 2 AM

then cultivated some more corn also

Paris greened potatoes then brought hay

rack over from other barn on high waggon

that we took the water back to potatoes on. P M

we took load hay in, coals we made last night

then Willie raked up the morning cut also finished

rakings we took it in, one load and raked

up the left rakings. Willie down town at night

got collar at Russells 20 cts. Charlie Byers

20

over in morning got load of bead

plow. I made huller with nails in to put
on Lucy to keep her from sucking Kate.
