According to the over and the grain is very well  
plowed. (with the ground that the corn  
was in last year for pasture it is the  
same as the rest it is all cut  
under the place & then down to the  
bedrock for the horses.

Then at the Kings road at about  
noon to 2:00 & sowed 6 bushels of oats  
& 1/2 bush of seed on the south side of the road  
at Over the place began to rain before night  
rained all night & most of the day  
and some potatoes is cut  
went to Macksville with Tommie he is going  
to look for work there nothing  
more to be done
