

Thursday, May 16

Weather - strong cold n.w. winds with some snow flurries.

men just did odd jobs all day cutting wood drawing loom for flower bed etc.

Gertie cleaned kitchen to-day.

operated on Mrs R. L. Stiver to-day.

John went away to-day with Jim Russel on a fishing trip.

Leslie took 2 ton baled hay down to city.

on account of strong wind men did not go to Mr Pratt's to bale.

Norman planted flower seeds in small barrels to-night.

Credit Reports and Collections

Friday, May 17
