It was a showery day I helped Mr Adult at moving his building

22 It was very hot Joe cultivated at the corn I started to plough the new land and Fairs greened the earlie potatoes Dwight was sick

THURSDAY 24 (176-190)

It was quite a nice day I helped Mr Adult at his building first started to cut the sweet clover

23 It was warm but quite a breeze I fixed the line fence between Mr Wilson and I in the forenoon and ploughed some in the afternoon the children & I took the car out to Johns in the evening
