

for most this morning Jess in buggy. I cut
G.S. hay thus finishing cutting. Wilhi drove
down for 7 o M A.M. Drove them down
in evening again Jess in buggy both times
We finished haying today except
ravings. N.S. up all day haying AM
till 11 when we put on load hay brought
it over to this barn. P.M. we hauled 4
loads to other barn and one load mostly
small. Raves eggs 3 doz costs

Fine sunny day. N.S. up all day haying
I finished raving No 4 and took them in P.M.
thus finishing haying 2 loads out to each barn
then a raveler brought over here. N.S. helped with
hay. Wilhi took cream down in morning I had
some oranges round time. Wilhi and girls went up 5 P.
Mr. Fellows after dinner Jess in buggy got back a
little after eight

--------	-----	----	-------	-------

Fine sunny day not warm a slight shower last night - N.S. up all day he got fine corn at 10 Mennis 10 ds We cut rest of No 6 to do (some a M some P M) except 3 S strip. Scuffed corn a M and 3 D P M got a small load in to other barn and a load over here. N.S. wood turnips started to thin the greystones. Bob Indale born at night told us the army worm was at our barley. We still hope sick colt it seems to be getting better.
