

June, 1930.

1 Sunday. Clear and very windy
Warmer. We all went to S. School this
morning. Walter and Ella went down
to Hilliard's with Pearl & Milton and
spent the day there.

2 Monday. Fine warm day.
Ella cut the potatoes and the men
planted them today. Harvey Reist was
here for breakfast and Geo. Bowman
and Orpha Miller had dinner here.
Norman Atkinson was here all day.
Tonight Walter, Ella & Vernon went to
an ~~Alumina~~ demonstration at
Edmund Schwindt's. Ella sowed
schizanthus, burning bush & marigolds.

3 Tuesday. Hot day. Vernon
worked up the mangel ground. Norman
Atkinson was here all day. Francis
Lynch fixed the wind mill and was
here for dinner and supper. Ella
hoed in the garden and planted. Peas, beans
cucumbers, beets, poppies, nasturtiums & marigolds
