

Ther. *Mr Noble was here today* THURS. MAR. 10, 1898 Wea.

This is another fine day
It is so warm, the snow
is going fast. George and
W. Linscher are bringing
up wood for the circular
saw, I have been working
up Mother's dress cap, it
is slow work, The boys
went to school.
Missie Graydon is very
sick with the jaundice

Ther. FRIDAY 11 Wea.

I went to bed last night
but was wake up about
12 o'clock, as William
came down from Luther
on the evening train, and
it was late about 3 hours
there was a lecture at the
Church, W. J. stayed for that
Mr Mullin of Berqus
was the lecturer
