

Society could do for a small sum. Cut-  
out a lot more material for my picture  
letter. Had to go down in afternoon to  
fit my kimono again and called at  
McDonald House & gave Miss Richner  
her paper for Quilts meeting on Friday.  
Accumulated still some more  
material for Blanchie's letter.

March 2<sup>nd</sup> Had to do some work for Charles and  
Tuesday. Wrote an apology to send to Dorothy - re  
not thanking us for box, not writing, not dating  
her letters, etc., took the work down to the  
Office and got myself a new pair of foot-  
files. Came home and had lunch and  
Charles & I caught the train for O. Sound -  
Young to hear ex-President Taft lecture.  
Mr. & Mrs. Bell and Jean went along &  
Messrs Conrad & Christian King were there  
also. Jean, Mrs. Bell and I went to  
McKay's in a taxi. Later Mr. Bell and  
Mr. Mickle arrived at the home where  
Jean was to stay & rest until we  
went home. Mrs. Bell and I went  
down town, called on Davena Ritchie,  
Went to Scarino's and looked at shoes
