Willie took cream down in morning. We chopped some horse in evening cleaned out N end of roothouse and put Maud in there.

8

Tuesday

Rain last night cold windy cloudy & sunny Maud had a filly colt when Willie went out this morning. We harrowed grain crop land No 6 right across from mangels to bush fence. I finished drawing of rail fence between No 6 and bush at S.S. end Willie worked at circular saw some we also chopped some pig We brought over load hay from other barn PM I went up to Armstrongs at night Punch in buggy Day Bros called in evening to see about the draining. Dave Beker also here had been shooting groundhogs.

9

Wednesday

Raining in morning cleared off some but mostly cloudy cold. windy. Willie drove
290 down in morning took to Ellis 12 doz eggs @ 2:6 got bran & shorts $2.90 got teeth 216 290
treated at Arthurs brought up 7 & M. I sharpened circular saw and worked at boxings. PM Willie cultivated buckwheat land in No 6 Lucy Punch & Dan I planted potatoes etc in new orchard we also planted corn & beans put some fertilizer on. Harvey Matthews in AM to see if we wanted anyone to hoe turnips. P M we sold to a Jew says that had been in drawing shed for 2 or 3 years 30 ds also horse hair 20 Willie drove 7 & M home 50

753 61 We sent letter to Wm Dillon Thornton re Tiles. 1336 58 278 9H 412 47 62 20
