

Friday, July 12

Weather - fair + warmer.

men

Douglas powdered potatoes in morning, +  
went to Richmond Hill to get more repairs.  
started to cut sweet clover before dinner  
and cut all afternoon. The other 3 men  
drew in hay.

Della came up to help me in afternoon,  
picked 12 chickens after milking was done.  
Douglas went to Unionville at night for  
meat so Della got a ride down home.
