

James Cameron Island 28th November 1901
Wind cold ice froze in the Kitchen to night
Took over the 2 young pigs no Boats to Day
1 Boat went up Randolph on the Little Island
and here Baking to Day 29th Fine kind of
foggy musky a great lot of Boats went up
and down to Day and a Sat coming up to night
churning to Day took over the clock fixing
an outside door this sat all hills etc
morning to night 30th fine some musky foggy
Festival of the 100th fine some musky foggy
Boys away hunting Eddy here where one
or 2 Boats went down to Day Stanley drawing
the stack in the upper field 2 Loads to Day
1st of December cut some stove wood
fine & wind eddy here Boats a going a
Boat went down all lighted up after dark
The Pigeon 2nd First Sunday in Advent
fine Mr Humes and Moses Lemay here
John and Dan Spink Randolph all here
3rd fine Leander came from Jo Lequetto killed
the white hog to Day Eddy with Humes & wind
Randolph grinding his axes 4th & wind Leander
went to Kaggaitas for stove pipes 18 Jo 1 Bag of salt
1 lb of tea Broom 25 turned stormy high east wind
killed the black pig cutting the holes for the
pipes broke the coal oil jar shut it near all
very windy to night snowed some heard the
bell in Cornwall burnt Monday killed a
big tame duck 5th east wind stormy cold took
over the single stove killed a rat yesterday at
the fixing up the stove stormy no Boats to day
nor yesterday lights last night up 1 Boat up 6th fine
St Nicholas Day Leander to Cornwall Leander to kill
Renshaw's pigs lots of Boats went up to Day Lewis and Peter
Boose here yesterday Brought Stanley Boats Pussys Boots and
feels wrote a letter did not send it off yet

James Cameron Island 7th Dec 1901
fine snow Leander went for shells working at
the Pantry Stanley looking after the cattle not
very well 8th freezing some Stanley drawing
Hay alone Leander after ducks at the Pantry
Randolph here turning windy and cool on the
6th Kamitoy's light suit and McSanchlin
on the 7th hills suit 2 or 3 days before them
9th north wind very cold freezing hard to night
in the house and outside flowers froze 10th
Leanders Birth Day 1872 Boarding some
at the north side west of the front door inside
stuffed a lot of newspapers in it 2 new some
marsh Hay from the upper field drew straw
over to the cellar to shut it up made a lot of
ice in the back Bay fixing the outside cellar door
banking it going to be frosty to night 11th kind
of fine east wind turned warmer took over the bags
sharpened the crescent saw a real frosty night the
Salmon River crossing with horses he went to the P.O.
but did not bring my letter got the Kansas Journal
12th fine smoky frosty seen a Mink track on the
shore in the Bay went to Little Island north side
for ducks Stanley sawing chopping and splitting
stove wood at the cattle too the Pump broke
blowing snowing freezing to night 13th blowing
till 12 o'clock Moderated some fixing on Boards
at the foot of the stairs churning put the cat
in the cellar last night fixing the Pump tonight
turned cold very frosty west wind 14th frosty
very cold Boarding the north side finished it
putting in the Pump Frosty to night not
very well 15th calm frosty drew some
wood Leander and Stanley on the Little Island north
drawing the last of the stack in upper field
[2nd Took the rain on the 2nd
