

Friday Jan. 28, 1921

I went to Chatham in the forenoon
Paid off the note given for the Gul
nineteen months ago for \$400 in '78.
Mabel took the first part of the
mail and I came home on the 11.3.
which was an hour late and took
the second part.

The day was fine and mild
and the roads were good.

Saturday January 29, 1921.

I delivered mail on the whole
route with the Colto Dick & Queen.
Mabel went to Chatham to attend to
her mother who is not well.

The day was fine and mild
but it is beginning to sprinkle
now at 9.15

The roads are real good.

Sunday Jan. 30, 1921

I went to Church in the morning.
Mabel was with her mother, who is
sick in Chatham, yesterday and today.
The day was cloudy.
