

alighted. the snubbers fixed and the emergency brake adjusted. We had to wait a couple of hours for it and while Mary was doing her shopping I took the kids down to the park where they had a lot of fun till the Wumpus fell off the cannon & cut her lip. We got home about four o'clock and found Mr. Campbell here. He stayed for supper & I drove him home about ten o'clock. Fine, Cold east wind.

Tues day February 7th

I walked over to Harvey Evans this morning to see if he is still in the humour to get some sheep as Patterson wants me to find out by the meeting on Saturday how people felt about it around here. Harvey drove me down to the mill and I walked over home from there. I had dinner there and sat around about half the after noon and then Dad. drove me home. as it was raining & freezing and the roads were very slippery. I felt pretty tough with a cold, and as Ina was here I drove her home before dark. Very mild and pouring rain to night.

Wednes day February 8th

Didn't do anything much but sit around and read and helped Mary a little as she was busy cutting

out a dress. I also pruned the grape vine. My cold has felt pretty bad all day. It was very foggy this morning then cleared off but is raining again to night. ^{Evening}

Thurs day February 9th

I didn't do much all day but a few chores around the house. and tried to write a few advertisements for the Grain. Mail. Ad. Contest, but didn't have much luck owing to conditions partly. Mary felt tough and the kids raised Cain most of the day. About four o'clock we all drove down town and took Mahel who went to Bob Pickford and got her hair cut also got a new hat. Tom got us a load of stove coal. Very mild all day but disagreeable. Snowed. Roads greasy colder to night. ^{Deputy} Alice telephoned out this morning that Granddaddy was dead.

Friday February 10th

Helped Mary a little around the house this morning & went over & helped Tom saw the tips of Dovey's horns as he is too free with them. This after noon went down town got some gas and when backing away from the filler knocked the hub cap off my front wheel and had to get a new one from Jack Walper. I went over home for awhile. Dad had a dandy pair of twin berries but
