

1920 adolph who arrived on Saturday  
night with his father's body. We went to  
go to the mause but mause all dark  
then I came past so came on home.  
Charles telephoned from the mause later.  
Rink was going to open last night in  
spite of notice from Board of Health -  
but thought better of it when they were  
served with ~~an~~ notice. Dr. Main,  
Medical Health-officer had told Mr.  
Lustig he could open and he would not  
pay anything. Dr. Main says he is going  
to resign to-morrow because the  
Council will not raise his salary.  
Poor kind of a town official. Played  
the piano for an hour & a half.  
Will sleep in yet again to-night.  
cut out some material for a picture  
letter. I want to write to Blanche  
Gillis. Charlie and Abie came  
up for a while.

March 1<sup>st</sup> - Cold and stormy. Had some office  
Monday work to do and had legs down in  
the morning to fit my kumina. Typed  
out the paper on "What a Horticultural
