

Thursday, October 6

Weather Fine & warm
I am went to Wm Boyington to
fill silo in morning
Fred finished mangels in morn
Churned 26 lbs butter in morn
Threshed buckwheat in afternoon
Newton Brown came up to help us
got over half done

Friday, October 7

Weather, Rainy, Heavy rain early
in morning turning cooler
Leo took 2 loads of straw to
Thorncliff
Runn buckwheat through fanning
mill to take out green stuff
Picked apples & I went on the trap
south and then we picked 11 old hens
attended service in church at night
Mr. Rev. Dr. Gray took the service
